Voyager Youth Program, a non-profit founded in 1997, supports Ouray County youth and families through educational, recreational, and experiential activities. Our goal is to assist youth so they develop into critically thinking, well balanced, healthy individuals.

Voyager Youth Program will be restructuring our Ouray Summer Program this year. We will be offering a variety of Activity Specific Camps where youth can learn new skills, explore the area, and have fun. In addition we will be providing 1/2 day Enrichment on Thursdays and Fridays. Look inside for more information.
