REGISTRATION AND ENROLLMENT:

Each child participating in the program must complete a registration packet of documents required by the state of Colorado. Registration materials will be made available at each site and the Voyager Youth Program office. In compliance with state licensing guidelines, a new set of accurately completed forms must be completed for **each year** of participation. If your child arrives the first day without all the required information he/she will not be allowed to attend until all forms and the registration fee are submitted. Completed files will be kept on site at all times during program operation.

Additional T-shirts will be available for \$12.00 each (while supplies last).

Daily Fee: \$20/child*

A 10% sibling discount per day will apply to families with more than one child attending.

Late pick-up fees will be applied at the end of the day at the rate of \$1 per minute. Prompt pickup of children is expected daily no later than 6pm. (In the event of late pickup emergency listings will be contacted by staff for an alternate pick up arrangement.) The late fee is in place to compensate staff members for their time. If you know you will be late please attempt to make alternate pickup arrangements. Voyager Youth Program should be notified if you foresee late arrival, as it is often stressful for a child when parents are late.

Voyager Youth Program bills monthly. Payment is due upon receipt and is considered late 30 days after the date of billing. A finance charge will be assessed on all late payments. Seriously delinquent accounts will not be allowed to participate in the program.

FINANCIAL ASSISTANCE

Voyager Youth Program believes all children should have access to our program regardless of their financial status. We strive to keep our program fees low and affordable. We have a limited number of partial scholarships intended to assist families unable to pay the full amount due to financial hardships. Please call the office to request an application. Money is available on a first come basis.

LOCATIONS:

Voyager Youth Program operates from two sites: one at Ridgway School, the other at Ouray School. Children may be dropped off and picked up from one location.

SIGN IN/SIGN OUT:

This is an essential part of our program. Parents or other authorized persons are responsible for signing their child(ren) in and out at the beginning and end of each day. This helps us to provide the safest environment possible as well as provide the opportunity for us to talk with you about your child's day.

Children will be released only to those authorized by the parent/guardian on the registration form. It is the parent's responsibility to notify Voyager Youth Program of any changes to authorization. If someone other than these people must pickup your child, a written note must be sent ahead of time. Those picking up children should be prepared to show identification to staff members upon request. No child will be released to anyone who is not authorized to pick up that child. All visitors to the site must sign in and show identification.

Voyager Youth Program staff has been instructed to notify police of any parent or guardian picking up children while under the influence of alcohol.

ADDRESS AND TELEPHONE NUMBERS:

Please inform Voyager Youth Program in writing of all changes to address and phone numbers. If your emergency numbers change, it is important that we are notified immediately to ensure proper notification of parents in case of an emergency.

HEALTH AND SAFETY:

Health records will be required and kept in each child's file. All known information about drug reactions, allergies, medications and special diets or conditions must be included. Immunization records must be provided to be kept in child's file.

Children must be healthy enough to participate in the program's daily routine. We do not have the facilities to care for sick children and therefore do not allow them to attend the program. For the safety and comfort of your child, please keep them home until they feel better and no longer present the danger of passing on their illness. ***If your child becomes ill while in the program you will be required to pick up your child as soon as possible.*** The child will be placed in an appropriate rest area until a parent/guardian arrives.

Any staff administration of medication can only be given to a child if a written order by the prescribing physician to the parent is provided with knowledge and consent of the parent or guardian. All medication must be clearly labeled and be in its original container and pharmacy seal along with the child's name and correct dosage. All medications will be kept in a locked medicine box. All staff will record administration time and amount of medication given to any child on the appropriate form.

Program attendance will be taken daily. All children will be accounted for before, during and after all activities. All program staff will be made fully aware of children in their charge. The staff to child ratio will not exceed 1-15 and will normally be 1-10.

SUNSCREEN

Please apply sunscreen to your child daily, especially if your child has sensitive skin. The staff will make sure children have sunscreen on when they are outside. If you DO NOT want sunscreen on your child, please let us know in writing. We recommend SPF 15 or higher for sunscreen.

Early in summer, when the children have not yet been exposed to the summer sun, it is extremely difficult to keep the children from getting sunburned. Staff takes every precaution in keeping your children from receiving sunburns. If your child has severely sensitive skin, **PLEASE** make the staff aware of it.

EMERGENCIES

Parents must provide written authorization for emergency medical care and all pertinent information regarding emergency parent/guardian contact. In cases of emergency, staff will immediately call 911 and then parents/guardian next. In cases in need of non-emergency care, all children will be taken to the Ridgway Medical Clinic located at 295 State Highway 62.

In the event of a lost child, the Director will be contacted immediately. Additional staff members will be provided to search for the lost child. The child's parents/guardians and appropriate authorities will be notified when necessary.

In the case of a natural disaster, the established plan of action will be taken which includes prompt notification of parents/guardians, the main facility and local authorities. Emergency transportation will be provided as available.

TRANSPORTATION

Parents must provide written permission for all transportation services of their child. Liability insurance information will be obtained from all staff and/or parents who transport children. All drivers will be properly certified to operate any school vehicle transporting children. All children will be required to wear seat belts, when available, at all times.

FIELD TRIPS

Parents/Guardians will be provided with a list of all proposed activities. Parents may waive their child's participation in any activity that doesn't meet their approval. We will not, however, be able to accommodate children who do not want to participate in a field trip.

Program staff will carry all relevant information pertaining to each child on all field trips. Certified First Aid kits will also be in staff possession. During swimming activities, a swimming supervisor with a current American Red Cross Lifeguard Training Certificate will be present.

Daily itinerary will be available on site for any late arrivals. Parent/guardian will be required to deliver their child to the off site activity if they arrive after the group has left the facility.

Voyager Youth Program reserves the right to cancel any field trip that is not fully enrolled or adequately staffed. **Voyager reserves the right to refuse to take a child based on staff ratios and transportation availability. Extra children coming late to the program could require additional staff or transportation that may not be available. Parents are encouraged to call before and check for space availability.**

WHAT TO BRING

Parents/Guardians must provide their child with a **healthy** lunch and snacks daily. Please send a bottle of water and no soda please. You may want to include an ice pack in your child's lunch bag. Label lunches daily.

Voyager Youth Program is recreational in nature and will require proper clothing and footwear. Participants will be expected to wear sturdy tennis shoes or hiking boots daily and a warm jacket or sweatshirt. Temperatures vary greatly in our region, so please send your child prepared. Hats and sunscreen will be highly recommended. **If children are not prepared they may not be able to participate in the scheduled activity.** Children should bring a swimsuit and towel daily - especially on designated pool and water play days. For days the summer enrichment program (generally Thursdays) is on field trips please have your child wear the Voyager Youth Program T-shirt.

Label, label, label. Please make sure all of your child's belongings are clearly labeled with first and last name.

WHAT NOT TO BRING

Please, no toys, video games, items of value (jewelry, tape/CD players, etc.), candy, money (except on mall excursions), weapons or fireworks.

LOST & FOUND

The program will not be responsible for lost items. We suggest that all of a child's belongings be clearly marked. Please make sure your child is leaving daily with everything he/she brought.

BEHAVIOR CONCERNS

All staff will be trained to address any inappropriate behavior of a child. Appropriate methods such as diversion, separation from the problem situation, and discussion with the child etc. will be applied. Separation, when used, will be brief and appropriate to child's age and circumstances. Any child in separation will be in full view of a staff member at all times. Children will not be allowed to address any behavior situation concerning their peers. Staff will assume full responsibility in this situation.

Children will be treated fairly and with respect. No child, regardless of circumstance or situation, will be humiliated, harassed or subjected to any physical or emotional harm. Corrective behavior methods will assume a positive, healthy approach and not be associated with food, rest or toileting in any way. Creative resolution will consistently be the goal in all situations.

A behavior contract must be reviewed and signed by both parent and child and kept on file. Behavioral situations and consequences will be discussed with parents immediately. Open communication will be maintained at all times to establish a supportive rapport and possible solutions. The three strike rule will be imposed for continued negative behavior and children will be removed from the program for a short period of time when necessary. Voyager reserves the right to refuse services as the very last resort in unsafe conditions i.e. violent behavior and bolting tendencies. Law enforcement and parents will be notified immediately.

Voyager Youth Program reserves the right to remove a child from the program.
